Easypaisa QR Payment Guide

PAKISTAN | English step-by-step guide | Demo: PKR 1,000

Follow the steps in order. Use the highlighted controls in each screenshot.

STEP 01

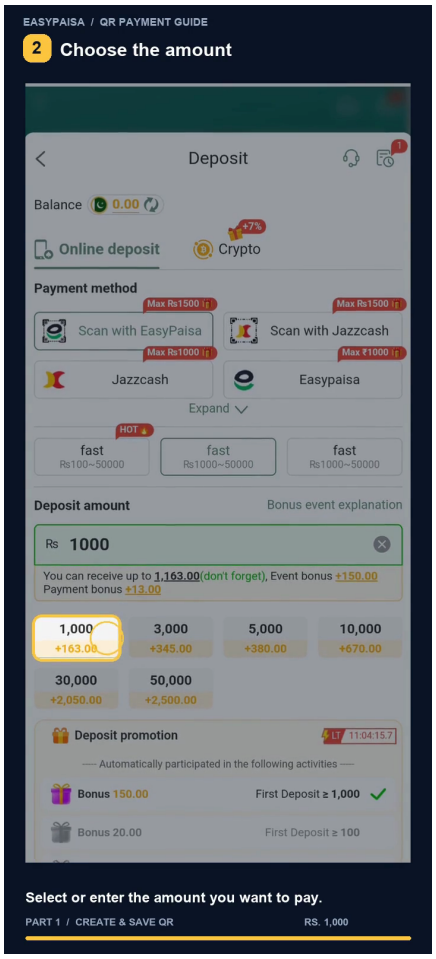

Choose Easypaisa QR

Video 00:00 - 00:03

On the website deposit page, select Easypaisa QR as your payment method.

Tap: Scan with EasyPaisa

Tip: Choose the highlighted payment option shown in the screenshot.

STEP 02

Choose your amount

Video 00:03 - 00:05

Select a preset amount or enter the amount you want to deposit. This guide uses PKR 1,000.

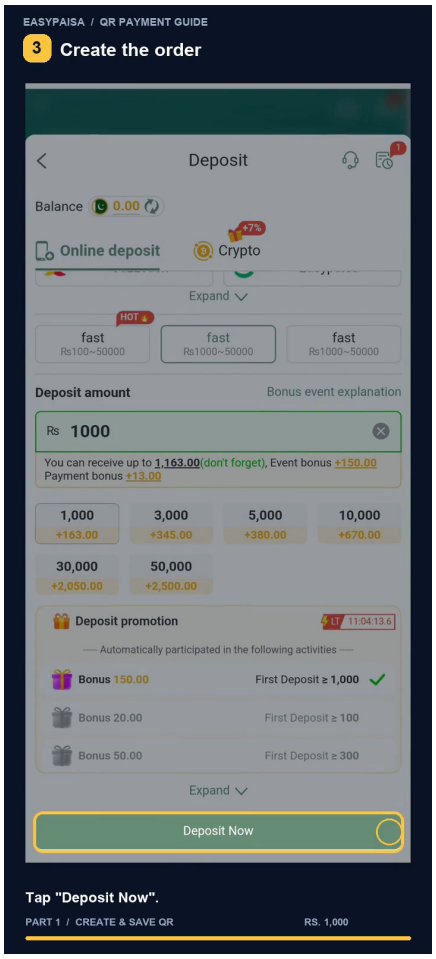

Field: Deposit amount

Tip: Use your own order amount. The wallet payment must match it.

Follow the steps in order. Use the highlighted controls in each screenshot.

STEP 03

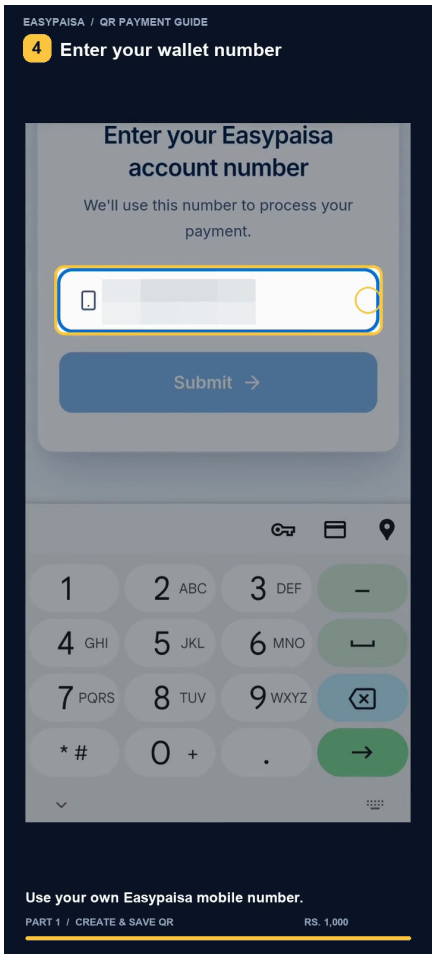

Create your order

Video 00:05 - 00:08

Scroll down and tap Deposit Now to continue.

Tap: Deposit Now

Tip: Check your deposit amount before continuing.

STEP 04

Enter your wallet number

Video 00:08 - 00:12

Enter your own 11-digit Easypaisa mobile number, starting with 03.

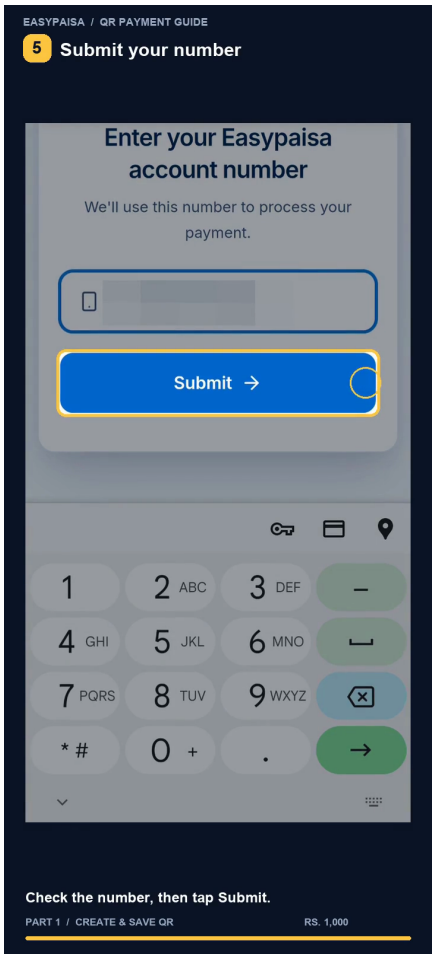

Field: Easypaisa account number

Tip: Use the Easypaisa wallet registered to this number when paying.

PAKISTAN | English step-by-step guide | Demo: PKR 1,000

Follow the steps in order. Use the highlighted controls in each screenshot.

STEP 05

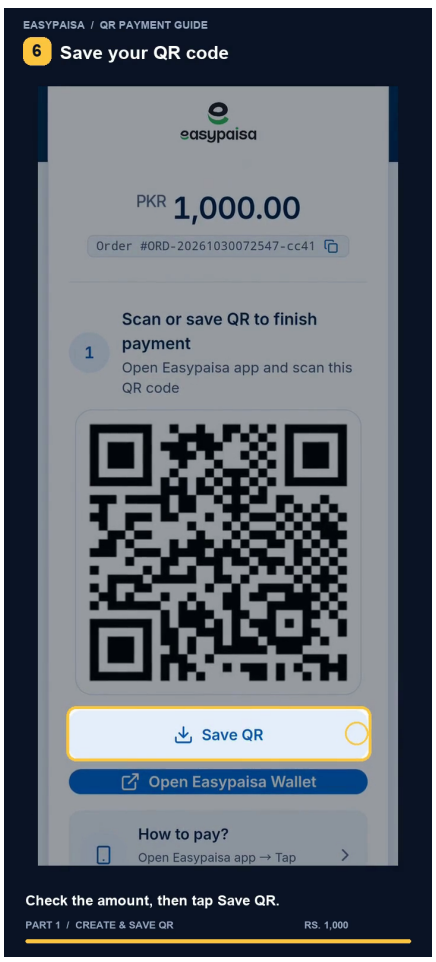

Check and submit

Video 00:12 - 00:16

Check your mobile number, tap Submit, and wait for the payment details and QR code to appear.

Tap: Submit

Tip: Let the payment page finish loading before continuing.

STEP 06

Save your order QR

Video 00:16 - 00:19

Check that the amount is correct, then tap Save QR.

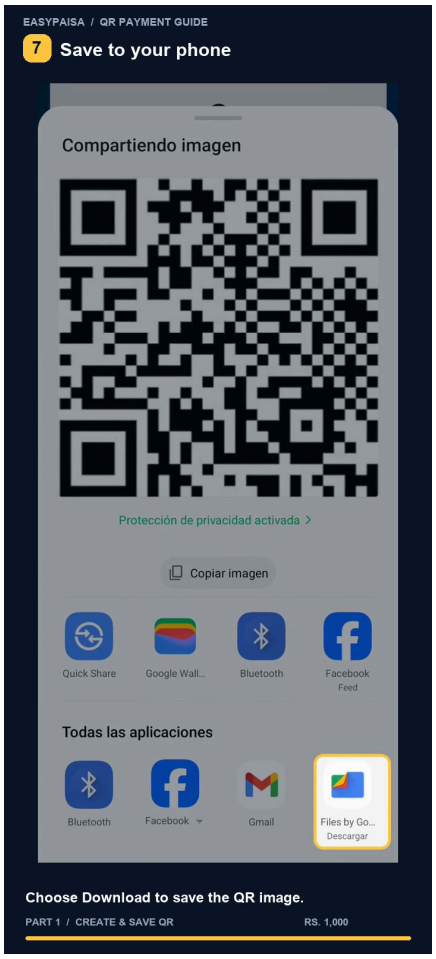

Tap: Save QR

Tip: Use the QR code generated for your current order. The screenshot is a demo.

PAKISTAN | English step-by-step guide | Demo: PKR 1,000

Follow the steps in order. Use the highlighted controls in each screenshot.

STEP 07

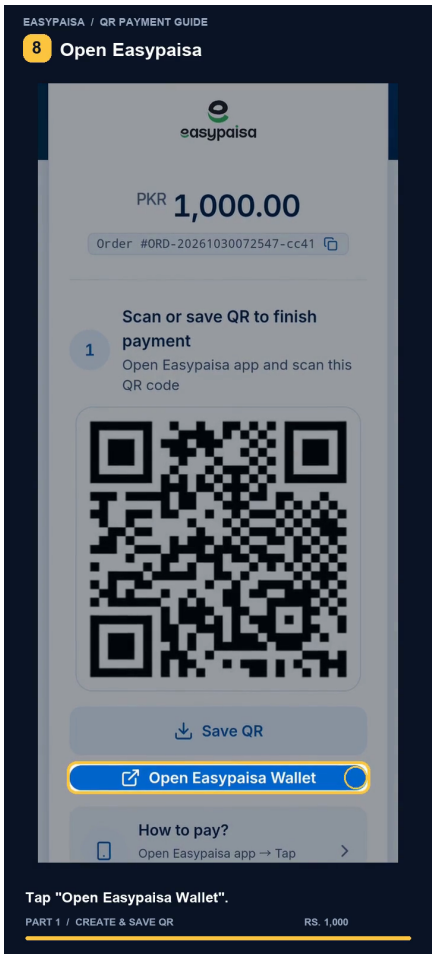

Save the image to your phone

Video 00:19 - 00:24

Choose the download or save-image option. Find the saved QR in Downloads or your Gallery.

Choose: Download / Save image

Tip: The save option may look different on your phone. The demo share menu is in another language.

STEP 08

Open your Easypaisa wallet

Video 00:24 - 00:28

Tap Open Easypaisa Wallet to open the app.

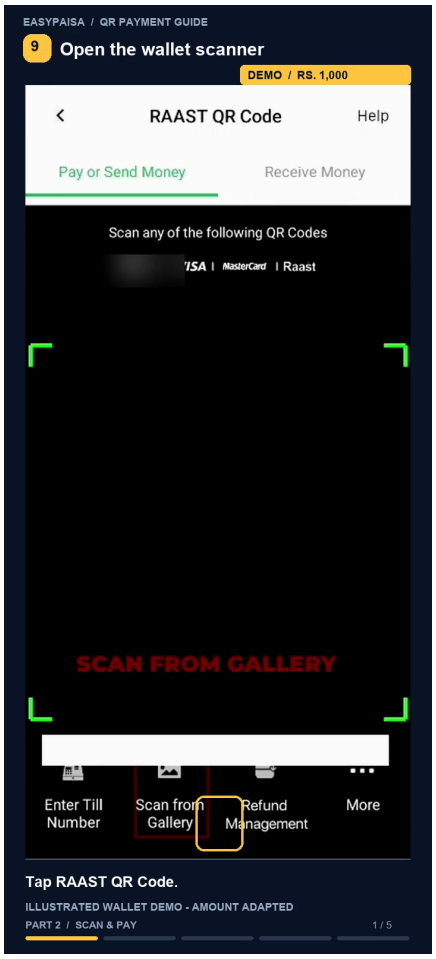

Tap: Open Easypaisa Wallet

Tip: Use the same wallet number you entered when creating the order.

PAKISTAN | English step-by-step guide | Demo: PKR 1,000

Follow the steps in order. Use the highlighted controls in each screenshot.

STEP 09

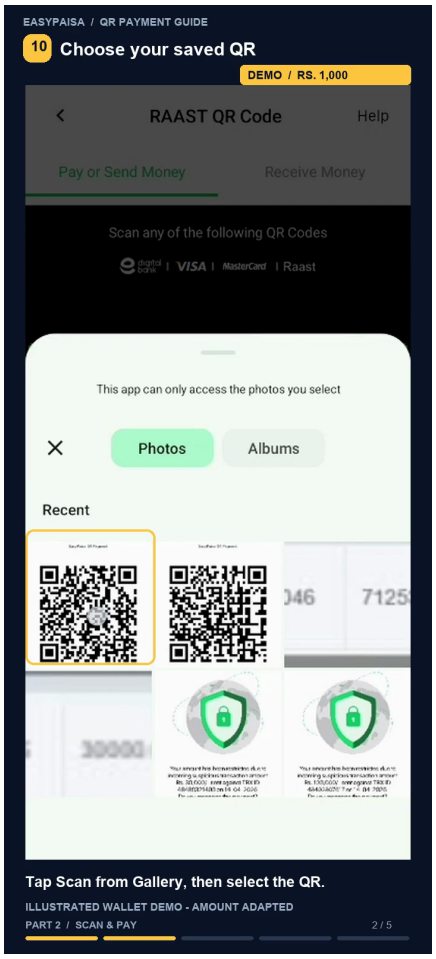

Open the QR scanner

Video 00:28 - 00:30

Open the QR scanner in Easypaisa. The demo shows the RAAST QR Code screen.

Screen: RAAST QR Code

Tip: Find Scan from Gallery at the bottom of the scanner screen.

STEP 10

Select your saved QR

Video 00:30 - 00:33

Tap Scan from Gallery, then select the QR image you just saved.

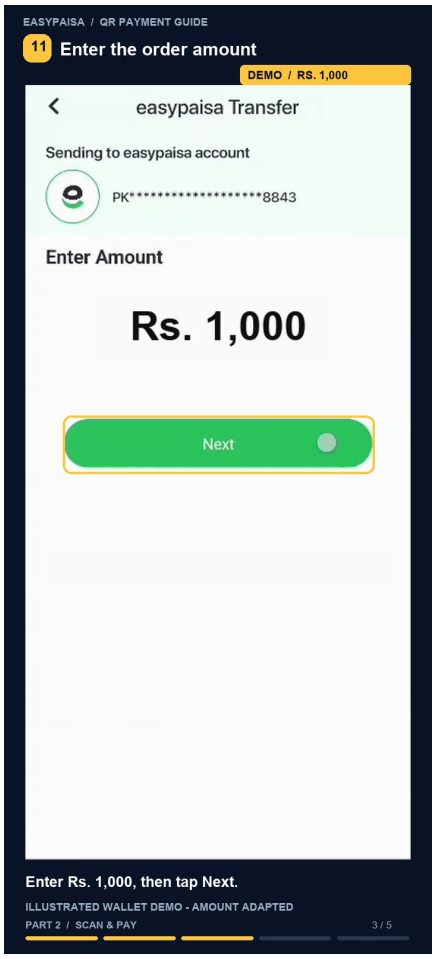

Tap: Scan from Gallery

Tip: Choose the QR image for your current order.

PAKISTAN | English step-by-step guide | Demo: PKR 1,000

Follow the steps in order. Use the highlighted controls in each screenshot.

STEP 11

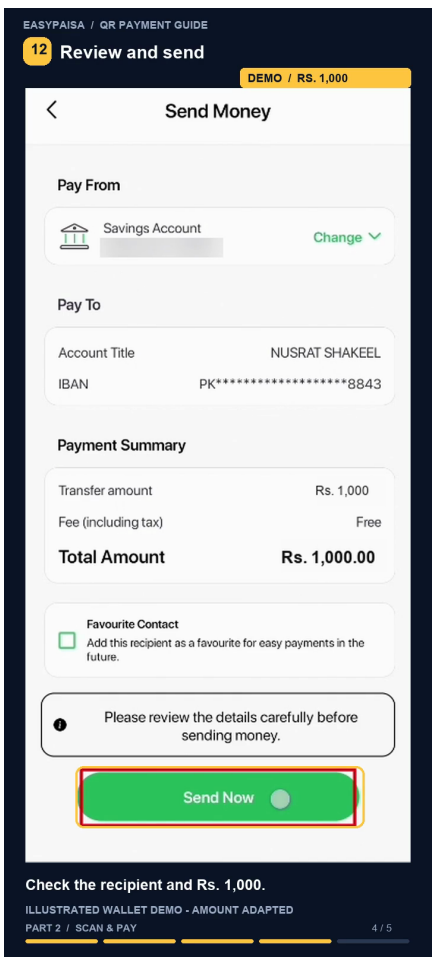

Enter the payment amount

Video 00:33 - 00:36

Enter PKR 1,000 for this demo, then tap Next.

Tap: Next

Tip: For your own payment, enter the exact amount shown on your current order.

STEP 12

Review and send

Video 00:36 - 00:40

Check the recipient and payment amount. If both are correct, tap Send Now.

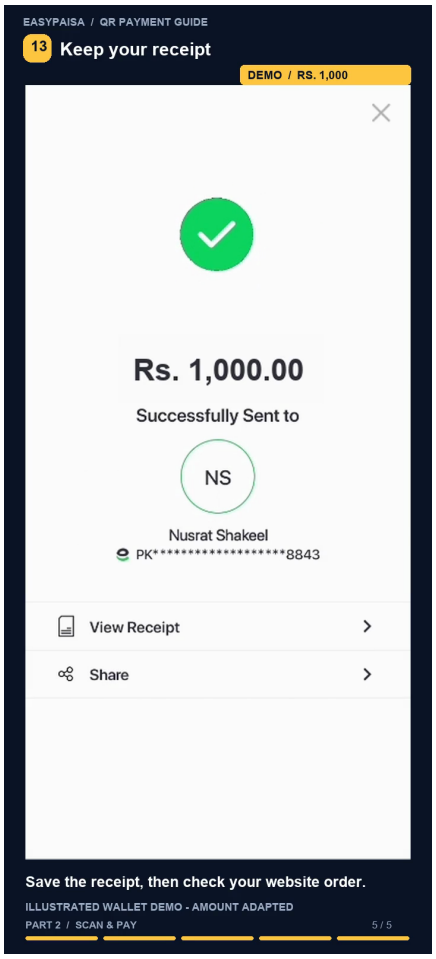

Tap: Send Now

Tip: Verify the recipient for your current order. Do not copy the recipient in the demo.

PAKISTAN | English step-by-step guide | Demo: PKR 1,000

Follow the steps in order. Use the highlighted controls in each screenshot.

STEP 13

Keep your payment receipt

Video 00:40 - 00:43

Keep your payment receipt, then return to the website to check your order status.

Tap: View Receipt

Tip: Save or share the receipt from the receipt screen. The demo video ends on the payment-success screen.

Your payment checklist

1. Wallet: your own 11-digit number, starting with 03.
2. QR image: the one saved for your current order.
3. Amount: exactly matches the website order.
4. Recipient: checked against the current order before sending.
5. After payment: keep the receipt and check your order status.

Based on the supplied video. Screenshots retain its highlights. Account details, recipients and QR codes shown are for demonstration only.
